

An introduction to the extra benefits under the **“Yes Claim Bonus”** initiative

Excess reduction for early reported accidents

(Excluding fire, theft, flood, malicious damage, and mechanical breakdown)

All claims notified to the Insurers claims team within 24 hours of the time of the accident will benefit from a £200 reduction in the excess stated on your policy schedule. The reduction is only available where there is an identifiable third party and your client is able to pass their details including a contact telephone number to the Insurers claims team.

Non-fault accidents

Subject to liability, a replacement vehicle will be provided for as long as the insured vehicle is off the road. For the purposes of vehicle hire, liability shall be determined by Chief Rentals.

The Scheme is subject to terms and conditions as stated on your Accident Assistance Pack welcome letter.

Fault accidents

(Excluding fire, theft, flood, malicious damage and mechanical breakdown)

All claims notified to the Insurers claims team can benefit on request from the provision of a replacement vehicle at a discounted rate organised by Chief Rentals.

Additional Benefit

Repairs via the Insurers garage networks benefit from a guarantee on all work of at least 3 years.
